CLEVELAND FEATURED IN *WHERE TO RETIRE* MAGAZINE

Cleveland will be featured in the November/December issue of *Where to Retire* Magazine as one of the top destinations for retirees. Cleveland is featured in the title "8 Praiseworthy Low-Cost Cities". This issue will be available nationwide on October 10.

Cleveland's lower cost of living coupled with its proximity to the Cherokee National Forrest, Ocoee River and the Great Smoky mountains help make the city one of the magazine's top destinations for retirees.

Where to Retire Magazine is currently celebrating its 25th year in print publishing. The magazine is published six times a year. *Where to Retire* focuses their publications on retirement regions, towns and master-planned communities. If interested, a one-year subscription is \$18
