#2017-01: The MPO proposes to add a recent TDOT award of Congestion Mitigation and Air Quality Improvement (CMAQ) funds to the 2017-2020 TIP. The amendment would be for \$1,356,000 in Federal funds and a local match of \$334,000 for the Cleveland-Chattanooga Commute Hub, a project providing park-and-ride service featuring preferred parking for ridesharing commuters coupled with ridesharing database and ridesharing incentives support from Chattanooga Greentrips, a CUATS (Cleveland transit) bus connection to CARTA (Chattanooga transit) at Enterprise South, bike racks, a stop on the CUATS Blue Route, and CUATS bus storage. The funds are for the construction of the necessary facilities including a parking lot with transit and bicycle related improvements, and the acquisition of buses and operating costs for the connecting transit service. And for the purchase of buses and operation of buses needed to make the CUATS and CARTA transit connection. The amendment would be for years FY-2017 through FY-2020.
