FOR IMMEDIATE RELEASE 9/13/19
20th STREET BRIDGE CLOSURE

CLEVELAND, TN – The city of Cleveland will be closing a small section of 20th Street NE between Barney Lane and Holly Brook Circle. Vehicular traffic will not be able to access Michigan Avenue Road via 20th Street NE. The city of Cleveland and the state of Tennessee will be completing a bridge restoration project along this route.

Due to construction, the bridge will be closed for approximately three (3) months starting after Wednesday, September 18, 2019. Detour signs for alternative routes will be posted and in effect during this time.

Please contact the Development and Engineering Services Department at (423) 479-1913 for additional questions regarding this road closure and bridge restoration project.
